

COMMUNITY ACTION MISSION PROGRAM

Serving the Valley View and New Lebanon Communities

In the past year,
CAMP has assisted
853 families,
including 698 seniors
and 438 children.

CAMP is a pick pantry
- clients choose from
stocked items that
best fit the needs of
their family.

CAMP supplements what we receive from the FoodBank and through donations by purchasing milk, bread, margarine, toilet paper, laundry soap and other items (some on a rotating basis).

CAMP Food Pantry offers confidentiality, a friendly environment, and helpful volunteers. The pantry is supported entirely by monetary gifts and donations of food and other items from individuals, local organizations, businesses, and church groups.

Ways to get involved:

Make a monetary donation

Volunteer your time

Donate nonperishable food items and personal hygiene products

Organize a food drive

CAMP offers additional support throughout the year to those in need:

- During and after power outages
- Fans during extreme heat
- Summer picnic lunch
- Thanksgiving dinner in a bag
- Extra seasonal choices during the holidays
- Distribution of donated hats, gloves, socks and blankets
